

## Pageant Sponsorship Program

Congratulations for competing for the state title of Miss Kentucky Bluegrass- and representing your hometown. The pageant sponsorship program is designed to help contestants to earn their fees paid to the state competition and have the ability to win other prizes if they choose to do so. The program book showcases each contestant in the pageant with their photo, name, age, and a spotlight on their mission statement or community service. Each contestant is **REQUIRED** to have only one sponsor / good luck page, but can sell more if they desire. The prizes are listed below. Also a "sample" designed page is available to get ideas on how to set up your page. The page can say whatever you like, and can include one or more photos of your choice. The pages must be pre-set up when you send them in. If you want to send the ad in on a disc it **MUST** be a jpeg or PDF file, and also **MUST** include a paper copy of each ad. The ads can be simple, don't worry about the overall design. You can get creative as much as you like as well. Any questions please text 859-626-8882 or email [kyfestivals@hotmail.com](mailto:kyfestivals@hotmail.com). Each state sponsor page cost is \$150- they can be split up as you need to. For example, if one person will sponsor \$100 of the page and two other family members will sponsor \$25 each, that would equal your \$150 per page fee making ONE page. Sponsor pages may be sold to local businesses, political ads, friends and family ads, or anyone who wishes to sponsor the contestant. Programs are available for pre-order on your entry form for \$20 each. It is suggested to pre-order the programs as there will not be extras available on pageant day, so make sure your family members know this if they would like to reserve as well. Any balances owed on books will need to be paid at the time your register/check in on pageant day. All ad pages are due by 2/13 postmark.
